Curriculum Vitae of Dr. Peter Sylaidis
Specialist in Plastic, Reconstructive & Cosmetic Surgery

MEDICAL REGISTRATION

Accreditation with GMC (UK) as Specialist Plastic Surgeon No: 3638316 30/6/2000

Medical Board of South Australia registration as specialist in Plastic and Reconstructive Surgery No: 9176 11/9/2001

MEDICAL EDUCATION

Flinders University, Bedford Park, South Australia. 1977 - 1982.

QUALIFICATIONS

MBBS (Flinders University) Australia - May 1983, Bachelor of Medicine and Surgery, Australia

FRCS (England) - February 1994, Fellow of Royal College of Surgeons of England

FRCSI (Ireland) - March 1994, Royal College of Surgeons of Ireland

MS (Adelaide) - June 1999, Master of Surgery, University of Adelaide

FRCS plast (United Kingdom) - Sept 1999, Specialist fellowship (Plastic and Reconstructive Surgery) of the Royal College of Surgeons of England

EBOPRAS (European Economic Community) - Nov 1999, Diploma of the European Board of Plastic Reconstructive and Aesthetic Surgery

DU-CCF (Paris) - Aug 2000, Diploma Universitaire de Carcinologie Cervico-faciale, University of South Paris, (university diploma in head and neck oncology)

FRACS (Australia) - Sept 2001, Specialist fellowship in Plastic and Reconstructive Surgery

POST-GRADUATE EDUCATION

Master of Surgery Thesis: Multi-media applications in medical education: evaluation of an interactive CD-ROM on practical skin wound management for medical undergraduate learning". Awarded higher degree, Master of Surgery by the University of Adelaide, Australia, June 1999.

Diploma in Head and Neck Oncology: Six-month part time course run conjointly by the University of South Paris and the Institute Gustave Roussey (oncology center in Paris, France). Diploma awarded in August 2000.

Clinical research methodology and medical statistics: MSc module at the University of East Anglia, Norwich, 1996.

CURRENT APPOINTMENT

Dec 2001 to current

Specialist Plastic Surgeon, in private practice:

Adelaide Plastic Surgery Associates, 18 North Tce, Adelaide, South Australia, Australia
website: apsa.com.au

2005 - current

Honorary Plastic Surgeon:

Royal Adelaide Hospital and Flinders Medical Centre, both are university teaching hospitals, in Adelaide, Australia.

... continued

Curriculum Vitae of Dr. Peter Sylaidis

Specialist in Plastic, Reconstructive & Cosmetic Surgery

PREVIOUS APPOINTMENTS

Dec 2001 to Jan 2005,

Specialist Plastic Surgeon

Dept of Plastic and Reconstructive Surgery, Flinders Medical Center, Bedford Park, Adelaide, S.A.

Head of Unit; Mr. Philip Griffin

July 2001 to Dec 2001

Head and Neck Fellow

Full-time post at the Royal Adelaide Hospital, Adelaide.

Head of Unit: Mr. R Cooter

Jan 2001 to July 2001

Cranio-facial Fellow

(full-time paid post), dealing with elective and emergency (trauma) craniofacial surgery.

Royal Women's and Children's Hospital, Adelaide.

Head of Unit: Mr. D David

Feb 2000 to May 2000

Head and Neck Fellow

Institute Gustave Roussey, Paris, France. Head of Unit: Prof. Luboinski

IGR is a world renowned oncology center with a large head and neck service.

Jan 1996 to Nov 1997, then from Oct 1998 until June 2000

Registrar (SpR), Plastics and Reconstructive Surgery.

West Norwich Hospital, Norwich. U.K. Commitments in general plastic, trauma, hand, burns, head and neck and laser surgery.

Consultants: Mr O'Neill, Mr Logan, Mr Bardsley and Mr Meyer.

Nov 1997 to Aug 1998

Research Fellow in Plastics and Reconstructive Surgery

The Queen Elizabeth Hospital, Woodville, Adelaide.

Head of Unit: Mr R Cooter

Jan 1996 to Nov 1997.

Registrar (SpR), Plastics and Reconstructive Surgery.

West Norwich Hospital, Norwich. U.K. Commitments in general plastic, trauma, hand, burns, head and neck and laser surgery.

Consultants: Mr O'Neil, Mr Logan, Mr Bardsley and Mr Meyer.

Jan 1995 to Jan 1996

Registrar, Plastics and Reconstructive Surgery.

Frenchay Hospital, Bristol. U.K. Commitments in general plastic trauma, hand, burns, cranio-facial surgery and laser treatment.

Head of Unit: Mr Townsend

Jan 1994 to Dec 1994

SHO in Plastic and Reconstructive Surgery.

Wordsley Hospital, Stourebridge, regional centre for plastic surgery in the West Midlands. U.K. Offered broad experience in general plastic surgery.

Head of Unit: Mr Goldin

Aug 1993 to Jan 1994

SHO Orthopaedics/Trauma.

George Eliot Hospital, Nuneaton, U.K.

Head of unit: Mr Steingold

Feb 1993 to Jun 1993

RMO Basic Surgical Trainee, Year 2.

Royal Adelaide Hospital, Australia.

(a) General Surgery: Mr Gill. First on-call registrar, 3 months.

(b) Plastics: Mr David, RMO – Craniofacial, 3 months.

.... continued

Curriculum Vitae of Dr. Peter Sylaidis

Specialist in Plastic, Reconstructive & Cosmetic Surgery

Jan 1992 to Feb 1993

RMO Basic Surgical Trainee, Year 1.

Repatriation General Hospital, Daw Park, South Australia, Australia. (a) Orthopaedics (Mr Darby), (b) Casualty (Childrens Hospital), (c) Plastic/General Surgery, (Mr Robinson and Mr Handy), (d) Vascular (Mr Dupont).

May 1989 to Jan 1991

General Practitioner.

Gold Coast, QLD, Australia.

Feb 1987 to May 1989

Casualty Registrar.

Tweed District Hospital, QLD, Australia.

Jan 1985 to Aug 1987

General Practitioner.

Adelaide, South Australia.

Jan 1983 to Jan 1984

Intern. Royal Adelaide Hospital, South Australia.

(a) Casualty, (b) Neurosurgery (Mr North), (c) General Surgery (Mr Hoare), (d) General Medicine (Dr Camens), (e) Orthopaedics (Mr Pohl).

MULTIMEDIA PUBLICATIONS

Interactive CD-ROM package entitled 'Practical Skin Wound Management'. Multimedia publication to provide evidenced-based tuition to medical undergraduates and post-graduates on the surgical management of skin wounds. Produced Sept 1998 by R Cooter and P Sylaidis.

MASTER OF SURGERY THESIS

Prospective study of the effectiveness of multimedia as both primary and secondary teaching tool for both theoretical knowledge and motor skills. Research formed basis of thesis entitled: "Multimedia applications in medical education: evaluation of an interactive CD-ROM on practical skin wound management for medical undergraduate learning". Awarded higher degree, Master of Surgery by the University of Adelaide, Australia, June 1999.

POSTERS

The Surgical Management of Finger Tip Injuries – an Overview.

Designed a quick reference wall chart for the surgical management of these conditions. Presented as a teaching aid to Wordsley Hospital, Frenchay Hospital and the West Norwich Hospital. Submitted to BSSH and accepted by Mr P Burge, Aug 1995.

Submitted for poster presentation at the combined Greek and British Hand Surgical meeting, Oct 1996 in Crete and the Oct 1996 GEM meeting in Paris.

Breast Reduction Surgery and Postoperative Complication Risk Based on Patient Weight and BMI.

Data based on the paper of Bundy et al, Oxford, 1996. Aim was to graphically demonstrate the risk of such surgery to over-weight patients.

Skin Cancer Follow up Protocols.

Post operative follow-up regimes for BCC, SCC and MM based on literature review.

Hand Examination Wall Chart.

Preoperative examination of the injured hand.

Evaluation of an evidence-based "Practical Skin Wound Management" CD-ROM for training undergraduates.

Poster presentation of results of Master of Surgery thesis at the 1999 Annual Scientific Meeting of the Royal Australasian College of Surgeons, Auckland May 10-14th.

OTHERS

A Guide to the FRACS Part 1.

A practical handbook indicating how to better prepare for the Part 1 Exam. College of Surgeons. Distributed amongst fellow candidates, January 1993.

P Sylaidis.

PRESENTATION OF SCIENTIFIC PAPERS AT CONFERENCES BY P SYLAIDIS

Precision antihelical folding by posterior score and horizontal mattress sutures.

Presentation of technique and long-term results. 1999 Winter Meeting of the Royal College of Surgeons, London 3/12/99.

Precision antihelical folding by posterior score and horizontal mattress sutures.

Presentation of technique and long-term results. 1999 Annual Scientific Meeting of the Royal Australasian College of Surgeons, Auckland May 10-14th.

An interactive CD-ROM on "Practical Skin Wound Management": demonstration of program with discussion of authoring logistics.

1999 Annual Scientific Meeting of the Royal Australasian College of Surgeons, Auckland May 10-14th.

Evaluation of an evidence-based "Practical Skin Wound Management" CD-ROM for training undergraduates.

Poster presentation of results of Master of Surgery thesis at the 1999 Annual Scientific Meeting of the Royal Australasian College of Surgeons, Auckland May 10-14th.

PRESENTATIONS BY OTHERS

FESSH 4th Congress - Bologna, Italy, June 1997.
Controlled active mobilization of finger extensor tendons.
M Youatt, P Sylaidis, A Logan.

Royal Austr College of Surg, Annual Scientific Congress - May 2002, Adelaide.
Adrenaline Based Digital Blocks:
A Brooks, P Sylaidis & A Logan

AUDIT PROJECTS

Tri-monthly audits of personal series of completeness of excision for skin cancers. For private practice at rooms in Adelaide: 2002-2007

Documentation audit of case notes for Dept of Plastic Surgery; to assess quality of note documentation, West Norwich Hospital, U.K, 1999.

SCC follow up; to check if we were adhering to the follow-up protocol for the different grades (vertical thickness) of SCC, 1998

D.V.T. prophylaxis at the West Norwich Hospital plastic surgery unit, UK,1997

BCC Incomplete Excision Rates: Frenchay Hospital Bristol, UK.1996.

Facial Zones of Post Operative Infection Risk: Wordsley Hospital, Stourbridge, UK, 1994, 1995.

Infection rates and graft take: Wordsley Hospital, Stourbridge, UK, 1995.

Total Hip Replacements – a two year review. Repatriation General Hospital, Adelaide, Australia, 1992.

Death Audits 91/92: Repatriation General Hospital, Adelaide, Australia, 1992.

AUDIT MEETINGS

Review of quarterly audit outcomes for the Dept of Plastic Surgery, Flinders Med Center, presented by RMOs, 2002.

Presented unit specific (Plastic Surgery) audit data tri-annual meetings for the West Norwich Hospital, Norwich and monthly meetings at the Frenchay Hospital, Bristol, 1995.

Helped organise monthly complications audit (Plastic Surgery) at the Wordsley Hospital, Stourbridge, 1994.

Presentation at monthly audit complications meeting (Orthopaedics) at the George Eliott Hospital, Nuneaton, August 1993 – January 1994.

... continued

Curriculum Vitae of Dr. Peter Sylaidis

Specialist in Plastic, Reconstructive & Cosmetic Surgery

Solely responsible for weekly breast (Gen Surgical) meetings and monthly audit meetings at the Royal Adelaide Hospital, Australia, 1993.

Presentation at monthly audit meetings (General and Plastics) Repatriation General Hospital, Australia, 1992

OTHER PROJECTS

Have set up skin cancer follow up protocol at the West Norwich Hospital. The protocol has passed through an audit cycle.

COURSES & CONFERENCES

Sculpting Success 2006

Business seminar for plastic surgeons, Aust Soc Plastic Surg, 2 & 3 Sept 2006

ASPS conference on volumetric face-lift: JW Little - Auckland, NZ, Nov27 &28, 2004

9th International congress on oral cancer - Melbourne 16-19 November 2003

IPRAS 2003.

13th International congress of the international confederation for plastic, reconstructive and aesthetic surgery: Sydney, 10-15Aug 2003

Management of Incompletely excised BCCs'.

Dr J Arlette, Univ. of Calgary Canada, 9/5//03. Emphasis on Moh's micrographic surgery.

Multidisciplinary meetings for Head and Neck Surgery

Held every Thursday afternoon at the Royal Adelaide Hospital - 2001-2003

Head & Neck Surgery Society of Adelaide

Meetings held every 2 months, hosted by the RACS - Adelaide branch, 2001-2003

Sentinel Node Biopsy Course - Adelaide, July 2002, run by the RAH oncology unit.

Royal Aust College Surgeons: Medical Laser Instructional Course. - Adelaide, 16th & 17th May 2002.

Royal Aust College Surgeons: Annual Scientific Congress; Session on Plastic & Reconstructive Surgery - Adelaide, 10th -13th May 2002.

Facial Paralysis: Current research and practice.

Seminar by Prof. William Kuzon, of Ann Arbor, Michigan, USA. Adelaide, Wakefield St Auditorium, 17/7/01.

The Australian Craniofacial Unit's Cleft Lip and Palate Management Workshop.

Adelaide, March 2001.

BAPS - Advanced Course - Cleft Lip and Palate - Cambridge Sept 1999.

BAPS - Advanced Course - Bone biology and limb trauma - Liverpool March 1999.

BAPS - Advanced Course - Soft tissue and skin cancers - London Sept 1998.

BAPS - Advanced Course - Head and Neck Cancer - Leeds July 1997.

BAPS - Advanced Course - Breast Reconstruction - Cambridge July 1996.

BAPS - Advanced Course - Facial Reconstruction, The Aging Face, Facial Palsy. - Wexham Park Hospital, Slough, April 1995.

BAPS - Advanced Course - Skin Cancers/Melanoma and Sarcomas. - Royal Marsden Hospital, London, September 1994.

BAPS - Advance Course - Head and Upper Limb Trauma - St James Hospital, Leeds. July 1994.

Canniesburn Pre-fellowship Course - Glasgow August 1999.

Annual Conference of Head and Neck Oncology Interest Group - Newcastle, Nov 1998.

Royal Australasian College of Surgeons Annual Scientific Congress. Auckland, May 9th - 14th 1999.

Rhinoplasty - International Symposium - Paris, June 1996

A.O. Hand Plating Course - Davos, Switzerland. Dec 1995.

Rhinoplasty/Maxillary Osteotomy - 1 Day Course, Wellington Hospital, London. Dec 1995.

Canniesburn Practical Flap Course - Canniesburn Hospital, Glasgow, March 1995.

... continued

Curriculum Vitae of Dr. Peter Sylaidis

Specialist in Plastic, Reconstructive & Cosmetic Surgery

Northwick Park Microsurgical Workshop – October 1994.

Clinical Surgery in General - Royal College of Surgeons of London, Pre-Fellowship Course, November 1994.

British Society for Surgery of the Hand - R.C.S. London, November 1993. One day course on tendon injuries and repair in children.

Rowley Bristow Orthopaedic Course – October 1993.

Advanced Trauma & Life Support Course - Adelaide, Sth Australia – June 1993.

FRACS Part 1 Course, Professor Heaslop, Dunedin Medical School, New Zealand – May 1992.

CONFERENCES

BAPS July 1995 – Slough,
Dec 1995 – London
July 1996 – Leicester,
Dec 1996 – London
Dec 1998 – London

BAAPS Dec 1998 – London

BSSH Nov 1996 – Birmingham

Combined Greek/British Hand Surgical Meeting.
Oct 1996. Crete, Greece.

Third National Congress of the Hellenic Society of Plastic Surgery
Nov 1997, Athens, Greece

TEACHING EXPERIENCE

Presented numerous educational seminars for GPs on wound care, wound closure and basic plastic surgery

Training surgical trainees on theory and practice of plastic surgery.

Tutoring fourth year medical students on basic surgical examinations at both Repatriation General Hospital and Royal Adelaide Hospital, Australia.

Conducted a practical work-shop on tissue sparing debridement for the 28th Annual Conference of the Australian Assoc of Stomal therapy Nurses - Adelaide, March 98

Established video libraries on plastic surgical topics at both Wordsley (1994) and Frenchay (1995) Hospitals.

LANGUAGES SPOKEN

English - Fluent

Greek - Fluent

French - Intermediate level, Alliance Francaise – Paris & Australia.

PERSONAL ACTIVITIES

Many past outdoor activities, but currently very interested in mountain trekking

PERSONAL INTERESTS

Very interested in ecology and the study of traditional lifestyles, religions, and philosophies.

VOLUNTEER WORK

Papua New Guinea, with Interplast plastic surgical team. June May 2004, June 2005 (lead surgeon) & Oct 2006 (lead surgeon),
